# Welcome

Hi! My name is Audrey B. Welcome to Medina! You're going to love my city! Here are some suggestions on how to plan out your day, and some cool places around. First, breakfast at Cool Beans is a classic! With fun menu options and amazing coffees, this is the way to go! After Cool Beans, head over to Sweets & Geeks! Not only do they have unique candy, stuffed animals and anything from your favorite fandom, but my favorite part is their library of board games, where you can check out a game for any age! Next, head to Black Cat Books and Oddities for a new read! With different sections for different genres and ages, there is a book for everyone! After that, I'd go to Nibble. Not only do they have the best sweet treats for an afternoon snack, but upstairs is the perfect place for teens. With different games, decor, crafts and more, I always love seeing what's new. By now you're probably getting hungry, so I'd recommend Big Dog Daddy's for lunch. On Saturdays there's usually live music. Paired with Medina Brewing Co. drinks it's the perfect meal! After that, I'd run to The Common Ground, where there are constantly events and I always leave with a smile. Whether you're playing cornhole or shopping for some homemade decor, the Common Ground is for you! After a long day, it's always good to spend family time at Foundry Social. I'd run a few rounds of High Voltage go-karts, then play some duck-pin bowling and check out the vintage video games before sitting down and eating some dinner. Foundry Social has something for everyone! By now you're nearing the end of your day, so sneak over to Dolce!

They have Italian Gelato and other amazing desserts, and my mom says she loves their cocktails (I can't drink those yet!) Have fun and enjoy Medina! We're glad you're here, and hope you stick around. I hope you will be able to visit my hometown!

**-Audrey B.**

## SPRING MIST FARMS LLC

This is a great farm to hang out with friendly animals like alpacas, goats, kangaroos, capybaras, otters and more. All the animals are super friendly and are definitely interested in hanging out, especially if there is food (food can be purchased from the check-in desk). The farm is super clean, staff are very friendly, and all signs indicating which enclosures can be entered are clear. - Enzo on Majestic Meadows
